To the Manager,

On behalf of Marryatville Primary School we would like to say **"Thank you"** for your kind donation in support of our fundraising at the school.

Our Quiz Night held on Saturday 2nd July 2011, was the biggest and best yet, thanks in part, to your generous donation. The event was attended by over 150 members of our school community and has helped to build on our sense of community amongst parents and friends.

Your contribution helped us raise over \$10,000. The funds raised will be put towards grounds improvements identified on our 2010 master plan. This includes our recently established productive garden and orchard.

With grateful thanks from the Marryatville Primary School Fundraising Committee, our students, staff and School Community.

We look forward to your support in 2012.

Yours sincerely
